

2024/25 End of Season Report

From Our President, Kevin Flynn

Kevin Flynn
kevinf@seattle.rugby

The 2024/25 season presented new hurdles for both our men's and women's teams. We experienced a mix of highs and lows, and while we didn't reach the D1 championship finals or BC finals we recognize that success isn't solely defined by wins and losses.

Both programs saw significant growth in player numbers as the season progressed and especially with the women's program. Our dedicated staff rose to the occasion and were committed throughout the season.

The 2025/26 season will bring new challenges with it. It is more important than ever to define what we do and why we do it to stay the course and keep ourselves on mission.

We once again connected with many alumni, whose generous donations and support enabled our players to participate in Regionals.

Witnessed a rebirth of the post match function on the side of the field and grass roots rugby for both men and women's teams. Thank you to all those who made that happen!

These off-field successes highlight the strong bonds we forge and the personal growth we experience through rugby. As we head into the 2025/26 season we must continue to help those people and families within within our club. This care leads to others volunteering their time and helping those outside the club and willingly or unknowingly being mentors in their community. That is winning!!!

Yours in Rugby,
Kevin Flynn
President

SEATTLE RUGBY CLUB

Community Involvement

We are deeply committed to community involvement and building strong relationships with our rugby community.

We believe in giving back and playing an active role in the growth and success of our communities. This creates opportunities for everyone to thrive.

Community Stories

[Read Community Stories](#)

The USA military rugby program, founded by Club President Kevin Flynn, offers active duty and veteran personnel the chance to play internationally. After successfully funding its inaugural UK tour, the team heads back this November. Kevin Flynn, men's team manager Dave, and Club Physio Brian Power are volunteering their time, with continued sponsorship from PPC. This commitment ensures service members represent the USA through rugby, fostering camaraderie and high-level play.

Our community rallied to raise funds and support the family of our beloved alum, Finau Seruvakula, after his passing. The club and our alumni were invaluable in ensuring Finau was laid to rest with dignity. We deeply miss you, Fiji!

Players joined in with youth programs playing touch rugby with youth in the region and helped show them there is rugby beyond high school.

We teamed up with Rugby Works and attended youth events to promote the opportunities Rugby can provide outside the sport itself to young players, coaches and parents.

Community Stories

[Read Community Stories](#)

In May, we assisted in organizing the Navy versus Army game, which featured a mix of active duty service members, veterans, and club players. This also incorporated many Seattle rugby club players, volunteers to make this happen.

Continued connecting with Associated Recreation Council and working on how we can connect more in the future to assist in community programs.

Seattle Rugby Assisted in getting coaches to the GNC youth competition in Montana to help coach the Washington selects

Throughout the year, we donated money and auction items to multiple youth and adult organizations to help raise funds for their missions.

Many club players and coaches attended the WAC collegiate awards to support young players who were graduating and educating on what their path can look like after education.

The

Dash

In May of 2023, the rugby community lost a gem of a human in Fraser Brumell. As we gathered to celebrate his life, we looked around and thought, “why do we wait to celebrate each other?”

This annual event – The Dash – was born out of that sentiment, that we should enjoy each other while we are alive on this earth together. This year, The Dash is being held at Pat Ryan field and in honor of Seattle Rugby Legend who passed this year Finau Seruvakula. RIP Fiji .

In 2023 Seattle Rugby Club launched “Unfiltered” Podcast- Partnership with Zeacon. Hosted by Kevin Flynn, the podcast focuses in on rugby stories of those who have played at Seattle Rugby Club and their journey as a player and life experiences.

Seattle Slam Wheelchair Rugby and Seattle Rugby Club

[Watch and Listen Here](#)

[Seattle Slam Website](#)

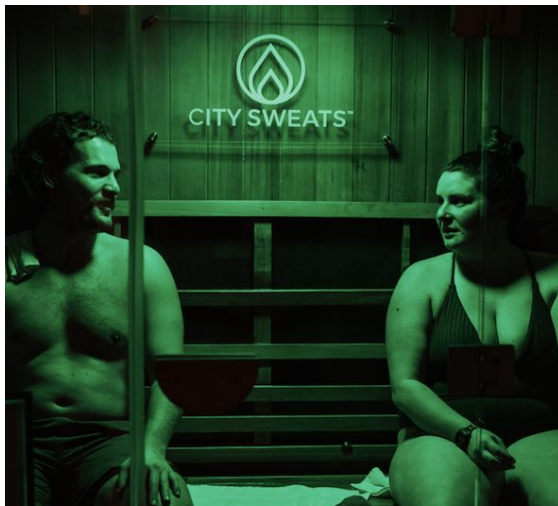

On February 3rd, 2024, Seattle Rugby Club players volunteered at a Seattle Slam Wheelchair Rugby event, which featured a match against the Seattle Seawolves. This continued a long-standing collaborative relationship between the two clubs.

Further insight into Seattle Slam can be found on Episode 4 of the Unfiltered Podcast, where Jeremy, Terril, and Brian from Seattle Slam were interviewed. You can listen at www.seattle.rugby/podcast.

It's Getting Hot in Here. City Sweats supports the Club.

At [Seattle Rugby Club](#), we believe in not only honing our players' skills on the field but also supporting their recovery and well-being off the field. That's why we were thrilled to partner with [City Sweats](#), a local business offering infrared sauna and cold plunge therapy for active recovery. It was an amazing opportunity for our men's and women's players to take advantage of these innovative recovery treatments, especially as we navigate a busy spring schedule.

Minimum Annual Target Cash Balance

Our Annual Target Cash Balance	\$150,000
--------------------------------	------------------

We prioritize maintaining a \$150,000 cash reserve to cover expenses, invest in development, and ensure long-term financial stability.

Annual Expected Expenses

Expenses will continue to rise	\$175,000
--------------------------------	------------------

Anticipating expenses to reach \$175,000 annually, our financial stability hinges on securing increased donations and support in the coming years.

Annual Goal Income

Fundraising & Donations keep our club going	\$200,000
---	------------------

With rising expenses and the goal of maintaining a healthy cash balance, our annual fundraising target needs to be \$200,000.

Seattle Rugby Club is a 501(c)(3) Charitable Organization so all charitable donations are tax deductible.

Open Volunteer Roles At The Club

[Contact Us](#)

Join Our Team! We're actively seeking passionate individuals to fill key volunteer leadership roles as we prepare for our next season. If you're ready to make an impact, we have opportunities for: Sponsorship Director, Fundraising Director, Events Coordinator, Community Director, and Director at Large - Board Member. These positions will also be highlighted in our upcoming AGM and End of Season Report. Express your interest and help shape the future of Seattle Rugby!

The alumni and supporter program directly supports the Seattle Rugby Club to help promote the game of rugby and support the amateur of the sport around the community.

Clubhouse Membership Goes Contributes Towards The Following:

Travel

Offset the cost for men's & women's travel expenses to help them play in more rugby matches.

On Field & Off Field Kit

Offset the cost of the new kit sets every year and the kits that are ordered for new members.

Coaching Support

Contribute to keeping the Seattle Rugby Club afloat by helping offset some of the operational costs.

Medical Support

Support the medical staff we have available to our players at training and matches to keep everyone healthy.
