## The Aleda Connect Scholarship

### Purpose –

The Aleda Scholarship is designed to support, recognise and celebrate individuals who are stepping forward as leaders — those guiding teams, inspiring others and shaping the way forward in their communities and professions. It reflects Aleda's commitment to fostering both emerging and established leaders by providing access to opportunities that strengthen their leadership capability, presence and influence.

Recipients of the scholarship are invited to not only deepen their own leadership but also to share their experiences with the Aleda community.

We welcome individual applications and nominations.

- Represent the next generation of leaders, with no strict age limit, but with a clear trajectory for future impact.
- Demonstrate strong personal values and a commitment to contributing positively to the world.
- Come from not-for-profit sectors or low-funded professions, where opportunities for growth are often limited.
