

Large Grant Application Template 2026

The Charles Plater Trust was established on the closure of Plater College and exists to carry forward the ethos of the College and, especially in connection with education or in an educational context, the College's approach to Catholic Social Teaching (CST). Your application must explain how the project for which you are seeking funding will be delivering CST in practice and how it has educational dimensions. This template shows all the questions featured in the online application form and is offered to help you pre-prepare your answers. Please note we only accept applications online via our website portal.

Section 1: Your contact details

Please enter below the details of the responsible nominated person for CPT to contact to discuss this application.

Please note that while we actively welcome multi-partner projects, an application from a consortium of organisations will only be eligible if a responsible nominated person from a lead organisation is clearly identified here.

16. What kind of change will CPT funding help you to achieve? (e.g. individual beneficiary outcomes; organisational development; wider policy or practice changes etc)

(maximum 100 words)

17. How do you know this work is needed? And are you aware of other organisations addressing the need locally?

This is one of the CPT's key criteria for assessing grant applications. Please provide details of how you know this work is needed. This could include knowledge gained from work you have done before, consultations with beneficiaries, the research of others, or evidence of outcomes from a pilot and so on.

(250 words maximum)

18. For the grant you are requesting, please state the number of direct intended beneficiaries. This is one of the CPT's key criteria for assessing grant applications. Tell us how many unique individuals/ groups (if appropriate) you expect will directly benefit as a result of this grant.

19. For the grant you are requesting, please state the number of any indirect intended beneficiaries. Indirect beneficiaries might be a wider community or society population group if you are intending practice/policy change outcomes.

20. Please explain how you have calculated these beneficiary figures. 50 words maximum.

21. What outcomes (practical results, changes and/or improvements in the lives of the people you help) do you hope to achieve with this funding?

This is one of the CPT's key criteria for assessing grant applications. Please provide specific details of the measurable short term and longer-term change(s) you plan will happen in people's lives as a result of your work. Outcomes can be for individuals, families, your own organisation or for wider communities and society.

(300 words maximum)

22. Please tell us if and how intended project beneficiaries have been consulted and involved in your project design and delivery.

Beneficiary involvement is one of the CPT's five key criteria for assessing grant applications as we keen to ensure that beneficiaries have a say in the way activities are designed and how organisations are run. We ask all applicants to be clear about how they involve beneficiaries and users, how they get their feedback and how they use this to ensure that activities reflect their actual needs, as well as what level of ongoing involvement in project decision making beneficiaries are intended to have. But we also recognize that user involvement is far from straightforward and there may be many valid reasons as to why beneficiaries cannot be partially or fully involved. So we ask you to explain here what level of user involvement you feel is appropriate for the project you wish us

23. How will you monitor and evaluate the work you are planning to deliver with this funding?

(i.e. how you will know whether, and to what degree, it has been successful?) (250 words maximum)

24. Please explain how your proposal aligns with CPT's five Catholic Social Teaching (CST) values? Please see our website for these.

25. If this work is new to your organization, can you please explain why you believe your organisation is well placed and qualified to deliver these services?

We are interested in understanding what skills and experience your organisation, your staff and volunteers have to deliver this project well. (200 words maximum)

26. Please provide a brief supporting statement from an independent external referee as to why they assess that your project will achieve its purpose.

26.1 Referee's name:

26.2 Referee's organisation

26.3 Reference – 200 words maximum)

27. What is the scale of the planned work?

Please note we don't fund any work outside England or Wales and tick all that may apply.

- ☐ The work would be local e.g. a specific parish or neighbourhood
☐ The work would be regional e.g. at diocesan, county or shire level
☐ The work would be national e.g. across England and/or Wales

28. Where in the country will impact be experienced by the project?

- | | | |
|--|---|---|
| <input type="checkbox"/> London | <input type="checkbox"/> South West | <input type="checkbox"/> West Wales |
| <input type="checkbox"/> South East | <input type="checkbox"/> Yorkshire and the Humber | <input type="checkbox"/> Mid Wales |
| <input type="checkbox"/> North West | <input type="checkbox"/> East Midlands | <input type="checkbox"/> South Wales |
| <input type="checkbox"/> East of England | <input type="checkbox"/> North East | <input type="checkbox"/> South West Wales |
| <input type="checkbox"/> West Midlands | <input type="checkbox"/> North Wales | |

29. Will you need to recruit any new staff with this grant?

Please select either 'yes' or 'no' from the drop down. If so, please name the post(s).

- ☐ Yes ☐ No

29.1 Please name the post(s)

30. When do you need this funding to start?

Please provide the month and year you would like the funding to start. If the project is dependent on securing additional funding, give the month and year you hope to have secured all the funds. Please note, it can take up to four months to advise you of our decision.

31. What will happen to the project after the Plater funding ends?

Sustainability is one of the CPT's five key criteria for assessing grant applications. But we are also realistic in knowing this is often hard to achieve and sometimes not relevant if the need identified is a specific short term one.

Please tell us here what sustainability means for your proposed project.

32. How do you plan to identify what you learn through and from this work and how do you plan to share the learning from your project with others?

It is important for us that CPT funded projects are proactive in sharing the project outcomes and learning. Please tell us here how you will plan to make your work more sustainable by sharing its results, and how it contributes to the ongoing task of promoting Catholic social thought and practice in the UK context.

We will also ask all successful applicants to write a blog about their project's results for publicising on the CPT website as a condition of our funding. (300 words maximum)

Section 4: Financial information

33. Recent annual accounts

Please upload your organisation's most recent set of annual accounts here

Upload file here

34. What is the total amount required to fully fund the proposed project?

The total of all the funds you need to deliver all activities and associated running costs of this work over the period stated.

35. How much have you already secured towards the total budget?

If you haven't secured any funding towards the total budget, please enter 0. Please provide a figure for the total secured. This should not include anticipated income or planned applications but should only include funds you definitely know you have secured.

36. Please upload a full project budget for the work you are asking us to fund:

Please note that CPT cannot fund either capital costs or organisational core costs and these should not be included in any project budgets. We only fund revenue costs which are the costs of making projects happen. They occur during the project, for that project. The maximum file size is 10MB. Please ensure that you click the 'Attach file' button after you have identified which file you want to upload in order to attach it.

37. How is your project currently funded and when does this funding end?

*You do not need to answer this question if you are seeking funding for work you have not delivered before. However you must still include a budget as requested above.
(100 words maximum)*

38. Please provide a summary of other funding applications you have made (or plan to make) towards this work.

*We expect you to have other options to fund this work and welcome collaborative funding arrangements with others. If this is not appropriate, please tell us why.
(100 words maximum)*

Section 5: Additional Supporting Information for Monitoring

39. Number of employees:

(FTE) Full time equivalent

40. Number of volunteers:

(FTE) Full time equivalent

41. Number of Trustees and/or non-executive directors

42. What is your organisation's income? (from all sources)

CPT only funds charities with annual incomes below £10 million. We regret that we can no longer accept applications from major charities over this level. The only exception to this is for Universities or HE Institutions who are partnering with a charity below 10 million annual income to jointly deliver a project.

☐☐

Less than £10,000 | Micro

☐

£10,000 to £100,000 | Small
