NED is coming to our school!

Our students are about to meet NED in a live assembly of storytelling, humor, illusions and amazing yo-yo tricks. They will laugh hard, and they will leave with the message hidden in NED's name.

Never give up

NED'S mindset MISSION

Teachers...See a short PREVIEW of the show!

Our school received this assembly at no cost because another school before us made it possible through the NED gear Pay-it-Forward sale. Now it is our turn to pay it forward to another school. Every yo-yo sold helps NED go to that next school. The message is the heart of this program, and for those who purchase a yo-yo, the message goes even deeper, as it is both a learning tool and a tangible reminder of the program.

OUR SCHOOL'S NED SALE COORDINATOR	COORDINATOR EMAIL

How ordering works:

STEP 1
Most families pay online
Before the sale. The parent send home letter has a QR code and a link. They pay by card or phone.

STEP 2
A receipt is emailed
It goes to the parent and lists the student, the teacher and what was paid for. It is the pickup pass.

STEP 3
Student Picks up at school
The child picks from a box of assorted styles and colors.

Why a receipt may show up in your inbox

Some parents will email you the receipt instead of sending it in with their child. Any one of these works:

If a parent emails you a receipt:

1. **Forward the email to me,** our school's NED sale coordinator. About ten seconds, no printing.
2. **Print it and get it to me** before the sale, or drop it at the sale table.
3. **Print it and hand it to the student** to bring to the sale table themselves.

Either way, please send the student to the sale table. That is where we fit the string to their height.

What you DO NOT have to do:

- ✓ No cash box and no counting money
- ✓ No making change during class
- ✓ No class order lists to keep or turn in
- ✓ Cash or forms go to the sale table, or to me

Yo-yos and Gear: Tax included	Specialty Surprise $18	Super Spinners $14	Classic Yo $10	Yo Holster $8	String pack $6

Thank you for helping make this a great NED Week. Send any question you cannot answer my way.
We are looking forward to the impact this assembly will have on our students, and we are glad it came to us at no cost.
