

Christ Is Proclaimed [Lyrics, 85 bpm, 6/8]

[Worth It All]

INTRO

VERSE 1

We sing of Your mercy
'Cause we've tasted Your grace
Speak of Your glory
Cause You've called us by name
This is our story, no longer in chains
Bought by the blood, lavished in love
And raised from the grave

CHORUS

This is our joy
That Christ is proclaimed
Through Him, we are righteous
Our debt has been paid
Knowing you Jesus
Is our greatest gain
This is our joy, in life or in death
That Christ is proclaimed

TURN

VERSE 2

When we are weak
Come lift up our eyes
From all that is fleeting
To the fountain of Life
Author, sustainer
Our Lord Jesus Christ
You've made us Your own
So we will press on
'Cause You are the prize

We'll be satisfied
At the sight of Your face
Every Trial endured
Every tear wiped away
Finally home, eternal embrace
Humbly, I'll bow, lay down my crown
And sing with saints
