

Good Samaritan Sponsor (GSS) HCTC Information

Monthly Good Samaritan Sponsor donations qualify for HCTC once they exceed \$250 during the tax year. SRM will process HCTC certificates quarterly.

If you received an HCTC certificate in your name last year, SRM's team will automatically process your qualifying current year donations for HCTC and send you a certificate. You don't need to do anything!

If you did not receive an HCTC certificate last year and would like to access a tax credit this year, please contact us via email at davidw@springsrescuemission.org or phone at 719-314-2397 with the last four digits of your Social Security number.

From there, we'll mail you a certificate. The state of Colorado requires that you file your state taxes electronically in order to use your HCTC certificate.

NOTE: For HCTC-qualifying donations over \$5,000, the State of Colorado requires back-up documentation. SRM's staff will submit this documentation as part of the HCTC qualifying process.
