

EXECUTIVE OFFICER'S REPORT

Issue 25

MAY 2025

2025/26 Work Plan Approved!

After six months of hard work from our member agencies the Work Plan includes:

- Strategic shaded fuel breaks, goat grazing, and vegetation management activities near homes to reduce fire intensity and severity, rate of spread, and potential for burning embers to be carried downwind into adjacent communities
- Vegetation management to reduce risk around key evacuation routes and vulnerable communities
- Funding dedicated to home hardening and defensible space inspections
- Home hardening and grant programs focused on Zone 0
- Free chipper programs for residents performing their own defensible space work
- Evacuation and alert systems, including auditory alert systems, online evacuation management systems, artificial intelligence traffic modeling and additional signage
- A comprehensive public education campaign
- Effective and efficient environmental compliance practices.

Thank you to the Advisory/Technical and Operations Committees for their countless hours of input.

RECENT BOARD ACTIONS

- Updated the Professional Services Agreement with Climate Equity Solutions, LLC.
- Authorized the Executive Officer to sign an agreement substantially similar to the attached Amendment #1 to the GIN PSA that extends the term by one (1) year, increases the not-to-exceed value by \$200,000 (from \$250,000 to \$450,000), creates an option to extend the PSA by another year, and requires certain additional insurance coverages.
- Approve the budget adjustment West Marin Zone Work Plan.
- Appointed Scott Pinsky representing Fire Prevention Groups to the COC for 2-year term.
- Approved the recommended decreased amount to hold in restricted reserves.
- Authorized the Executive Officer to sign a Task Order substantially similar to the attached San Rafael-San Anselmo Fuel Reduction Zone (SRSAFRZ) Task Order MFE-24-002 (TO) with a value not to exceed \$280,000 and extend the termination date to 12/31/2025.

Thank You,
