

## Unlock your potential with Sharpist

We believe in inspiring growth and driving change.  
Discover how Sharpist can support you in your professional development.

Every day you delay is a day you miss out on significant growth. Here are 3 reasons to get started right away:

### Know where to look

A certified business coach can help you identify blind spots, overcome limiting beliefs, and accelerate your progress toward your goals.

### Gain a competitive edge

Make use of your coach to equip yourself with the exact tools, strategies, and accountability you need to perform.

### Invest in yourself

Prioritizing your growth leads to increased confidence, reduced stress, and improved work-life balance.

## How can you use coaching?

### For new leaders, managers of managers, and other coachees

- (1) Reflect on personal goals aligned with training, leadership expectations, and performance reviews.
- (2-3) “Quick Wins” - Targeted sessions to address immediate needs:
- Effective employee conversations
  - Project prioritization

### Recommended, especially for new leaders and managers of managers

*1 session for new leaders, 3 sessions for managers of managers*

(4-6) In-depth sessions to build core leadership skills:

- How do I balance operational involvement, with strategic work as a lead?
- Where to set the focus, among potentially conflicting goals?
- How do I enable my team?
- How do I drive impact beyond my direct circle of influence?

### Recommended, especially for managers of managers

*1 session for new leaders, 2 sessions for managers of managers*

(7-8) Strategic sessions to plan future career moves:

- How could a lateral career transition look like for me?
- How can I align my next internal career step with my career objectives?"

Still unsure? No worries, we know the feeling!
