RELEVANT EXPERIENCE

Rebecca White Design

Founder and Principal | 2011—2024

Operating for 13 years, Rebecca White Design was a branding and digital design studio that focused on such issues as sustainability and the environment, housing affordability, human rights, and immigration.

Salon Series Miami

Founder | 2018 - 2020

Salon Series Miami was an intimate event series that explored classical music and opera. A hybrid between book club and house concert, each gathering featured informal conversations with guest speakers, who were performers, composers, and professors from the city's leading musical institutions.

AIGA Miami

President, Board of Directors | 2017 - 2019

Vice President, Board of Directors | 2014 - 2017

Under Rebecca's leadership, the Miami chapter of AIGA, the professional association for design, ran impactful, diverse events with partners like Adobe, The Wolfsonian-FIU, The Perez Art Museum Miami, The Florida Department of Health, Lotus House, and more.
