TANIA DELONGCHAMP

UI/UX + VISUAL + PRODUCT DESIGN

PROFILE —

I'm a UX designer with 8+ years of experience creating user-centric digital experiences across Japan, the UK, and North America. I recently spent three years as a Senior UX Designer at Indeed Japan, leading design initiatives for employer-facing platforms. Before that, I worked on global travel products at Rakuten Travel and designed digital experiences for clients across agency and freelance projects.

EXPERIENCE —

Contract Senior UX Designer / Indeed

Oct 2023 - Present / Tokyo, Japan

- Led UX design for job posting, management and sourcing workflows in Japan.
- Partnered cross-functionally to localize global features and improve product adoption.
- Shipped multiple updates improving usability and job posting conversion.

UX/UI Designer / Rakuten

Mar 2022 - Oct 2023 / Tokyo, Japan

- Designed and tested a travel platform for international visitors to Japan.
- Collaborated with a global team on user flows and a successful product launch.
- Conducted usability testing to inform iterative improvements.

UX Consultant / Beginex for EdCuration

Sep 2021 - Jan 2022 / Remote, US

- Redesigned core platform flows for a US-based edtech startup, conducting user research and delivering responsive UI designs.

Lead Designer / Mosquito Digital

Mar 2017 - Dec 2020 / Manchester, UK

- Led digital design across web and branding projects. Delivered UX, UI, and visual designs for clients in healthcare, education, and retail.

Web Designer / Freelance

Dec 2016 - Sep 2017 / Canada & UK

- Delivered client projects spanning UX, web design, and digital experiences

EDUCATION —

Google UX Design Certificate

Coursera, 2021

User Experience Design

Beginex, 2021-22

Masters of Science

University of Ottawa, 2004-2006

Bachelor of Science

Laurentian University, 1999-2003

SKILLS —

I have experience collaborating cross-functionally to define product vision, wireframe & prototype solutions, and deliver thoughtful designs. I'm tool-agnostic and happy to adapt—if your team uses something different, I'll learn it fast.
