Just Like Melchizedek.

Read Hebrews 7:1-10.

1. Have you ever been compared to someone famous? If so, who was it and in what way were you being compared? What is the point of a comparison?

Similarly, there is a comparison between Jesus and Melchizedek in **Hebrews 7**. Read **Genesis 14:1-20** to understand the context which includes the heroics of Abraham and introduction of Melchizedek.

2. According to that passage, what positions did Melchizedek hold?

3. What did he proclaim to Abraham? What did he proclaim to God? How is this helpful perspective in light of Abraham's mighty feat?

4. What is Abraham acknowledging in giving a tenth of his spoils to Melchizedek? (Reminder: this is centuries before levitical priests and the Law was given.) How does this provide a model for our giving to God today?

5. What is the significance of Melchizedek's name? How is Jesus the ultimate fulfillment of that?

6. How is the lack of a genealogy for Melchizedek serve as a picture of Jesus?

7. How is the lesser blessed by the greater in **Hebrews 7**? How are followers of Jesus blessed by the greater?

8. Have you ever been given something undeserved by someone who was in a higher position than you? How did that impact you?

9. Abraham successfully completed a daring rescue mission. How did he show humility despite his success? How can we have the same attitude in light of any success we have as it comes to career, academics, finance or social status?

10. What are ways that we can show gratitude and honor for Jesus, our great high priest?
