KEY FEATURES

Glenwood Heart is the only Student Accommodation partnered directly with Emeris. Students get to experience student life on and off campus, ensuring their stay is an integrated experience and that each student feels welcome and secure.

Highly secure compound with on-site private security, advanced security features, supported by armed response.

We have an active student life program, with 2x student reps and an on-site House Master. Weekly events and activities ensure no one feels alone while ensuring Glenwood Heart is an environment for learning.

Back-up water systems have been put in place to alleviate residents from the inconvenience of water shedding and area water disruptions.

WiFi is included with on-time rental payments. Each unit is serviced with a fibre connection, which provides High Speed Internet connectivity.

Smart biometric access ensures only tenant students have access, while visitors are securely managed.
