FESTIVE FEASTING AT COAL KITCHEN

Gloucester Quays

Set within the beautiful Grade II listed Pillar & Lucy Warehouse at Gloucester Quays, Coal Kitchen is made for Christmas gatherings. Join us by the water for festive dinners, parties and get-togethers, with seasonal menus showcasing locally sourced Gloucestershire produce.

From intimate dinners to larger celebrations, our restaurant has a range of spaces to make your own. Our chefs and front of house team will be on hand to take care of the details, leaving you free to eat, drink and enjoy the occasion.

Christmas calls for a good drink. Start with a chilled glass of Prosecco, settle in with a bottle of red, or choose something from our line-up of festive cocktails.

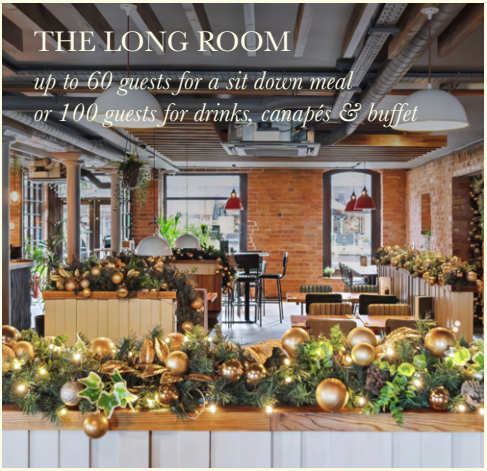

There's mulled wine for cold winter evenings, seasonal twists on the espresso martini, vibrant sours and a few Coal Kitchen creations made especially for Christmas.
