

A vibrant summer-themed illustration. The top left shows a blue and white wave with a beach ball and a lifebuoy. The background is a warm yellow-orange gradient with scattered brown circles. On the right, there are two green palm trees. At the bottom, there's a wooden signpost with four directional arrows, a pink starfish, and several seashells. In the bottom left corner, there's a coconut drink with a pink flower and a green straw.
