

Mobile Phone Policy

Presentation Secondary School, Clonmel 2026-2027

The use of all types of mobile phones by students is strictly prohibited while on school premises, except where explicit permission has been granted by a teacher for use under their direct supervision for educational purposes.

Urgent communications between parents and students should be directed through the School Office.

Should it be necessary for a student to have a mobile phone for use while travelling to and from school, the device must remain switched off, out of sight, and inaudible at all times during school hours (8:00 a.m. to 4:00 p.m.).

Non-compliance with this policy will result in the immediate confiscation of the device. Confiscated phones may only be retrieved by a parent or guardian from the School Management Team.

Bullying or harassment of any kind—including sexual harassment—perpetrated through the use of mobile phones will be treated with the utmost seriousness and may result in suspension, expulsion, and/or referral to An Garda Síochána.

Any unauthorised recording on school grounds, or the uploading or sharing of such material online, constitutes gross misconduct and will be addressed in accordance with the School's Code of Behaviour and may result in suspension, expulsion, and/or referral to An Garda Síochána. The school accepts no responsibility for the loss, theft, or damage of mobile phones brought onto the premises.
