COURSE CONTENT / TIME LIMITS:

The home study course consists of spending a minimum of 45 hours reading and studying the course material, and passing a final exam. The final examinations can be started a minimum of 3 days from the date the student has access to the course materials. The maximum time students have to complete a course is one year from the date of registration. If students fail the final examinations, they must re-enroll in the program before they can take the exams again. Students must wait a minimum of another 6 days studying the course materials after they re-enroll before they can start the final examinations. The re-enrollment fee will be \$15.00.

INCREMENTAL ASSESSMENTS:

All courses contain incremental assessments designed to properly measure a participant's mastery of the course content. Remediation to the student will be provided along with the student's personal ID for the final examination before the final examination can be taken.

FINAL EXAMINATION:

The final exams are open-book and consist of 15 multiple choice questions for Agency, Ethics, Fair Housing Risk Management, Trust Funds, and Broker Mgmt & Supervision; 10 questions for Implicit Bias and 30 & 40 multiple choice questions for Legal & Marketing – Part 1 & Part 2. Students are allowed one minute per question to complete each final exam and need to score a minimum of 70% to pass. Students may not take more than 15 credit hours of testing within a 24 hour period. Therefore, to complete all 45 hours of testing, the student must spend at least 3 different days to complete the exams. Final exams are to be completed online through the Revei web site. Students taking the final exams on-line will be issued a unique username and password. Internet final exams cannot be printed or downloaded; and the exams will automatically time-out at one minute per question. **Under no circumstances shall the final exams be furnished directly to the students.**
