From the Desk of Fr. Keith Romke

Dear Brothers and Sisters in Christ,

One of the beautiful things about our Catholic faith is that we are never meant to live it alone. Our relationship with Jesus is deeply personal, but it is never meant to be merely individual. We are called to be part of something greater than ourselves: a community of believers, united in faith, gathered together as the Body of Christ. In fact, on the night before He died, Jesus prayed to His heavenly Father for all who would come to believe in Him, saying, “That they may all be one, as you, Father, are

in me and I in you, that they also may be in us” (John 17:21). Think about that for a moment. Of all the things Jesus could have prayed for as He approached His Passion, one of His deepest desires was that His followers would be united as one!

This unity is especially important when we gather for Mass. The Mass is not simply an opportunity for each of us to spend time with Jesus individually. It is an opportunity for us to come together as one family, to pray with one another, to hear God's Word together, and to be nourished together by the Eucharist. There is something powerful about being physically gathered with our brothers and sisters in Christ, lifting our hearts to God with one voice.

With this in mind, I want to share a small change that we will be making regarding our use of the parish hall during Mass. For some time, we have offered the opportunity to participate in Mass through a live projection onto the screen in the parish hall. It is wonderful to have the ability to project the Mass on the occasions where the Church is at capacity and we need to have overflow to be able to accommodate more people gathering to Worship. However, if this area is used as a regular seating option for any Mass, even when there is plenty of room available in the church itself, then it serves to prevent us from drawing together to Worship. While I certainly understand that some people have come to appreciate the additional space and quieter atmosphere of the parish hall, I would like to encourage us to embrace the opportunity to worship together as one community. Going forward, we will only project Mass into the parish hall when the church is full and overflow seating is needed. For parents with kids who need a space for their kids who are filled with a little extra spirit on any given Sunday, the narthex area just outside of the glass doors provides a great space where you can draw together in communion with other parents who are in the same boat. Know that I love looking out from the sanctuary and seeing our little young disciples roaming around just on the other side of the glass doors, and I'm incredible grateful that they are at Mass with us! I also recognize that some people are less comfortable in crowded spaces, and I want to be sensitive to that. If you prefer a little more room around you, I encourage you to consider sitting in the sections toward the back of the church on the far right or far left. These areas tend to be less crowded and often provide a little more personal space.

My hope is that we can see this change not as something being taken away, but as an invitation to something greater. When we come to Mass, we aren't simply a collection of individuals who happen to be praying at the same time. We are a family. We belong to one another because we belong to Christ. And there is something beautiful about being able to see, hear, and pray alongside the people with whom we share that faith. Jesus prayed that we might be one: Every time we gather around His altar, we have an opportunity to answer this prayer within our own parish community. Thank you for your understanding, your flexibility, and most especially for being part of our parish family. May we continue to grow together, not only in our love for Jesus, but also in our love for one another!

God bless you,

Fr. Romke

Whose Image We Bear

By Colleen Jurkiewicz Dorman

In writing this column, I spent a lot of time mulling over a strange question: if I had a coin with Caesar's face on it, could I use it to pay for my morning coffee?

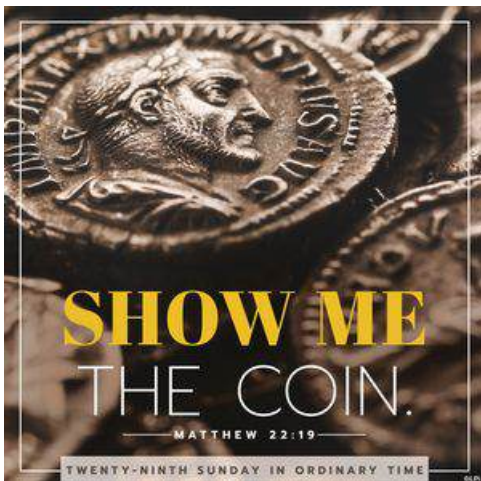

Ancient Roman artifacts are worth a lot of money, but I have no idea how to appraise the artifacts and convert that worth to cash. I doubt my local barista does, either.

Out of curiosity, I Googled it. Apparently, the value depends a lot on the emperor. If we're talking about a marquee name like Julius Caesar, a coin will go for thousands of dollars. But let's say it's a shekel from Emperor Geta, some third-century failure who got murdered by his brother. You can get his coin for less than \$200.

It matters, apparently, whose face you're stamped with. We are all only as good as the image we bear.

When Christ said, "Give to Caesar what belongs to Caesar, and to God what belongs to God," he was talking about faithful citizenship and faithful discipleship. He was talking about the omnipotence of God over any political movement or historical era.

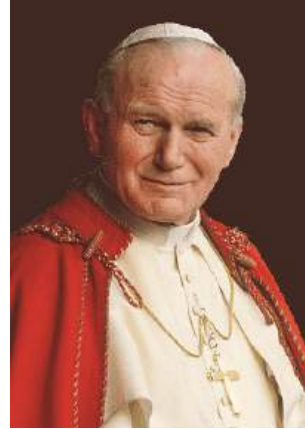

But he was also talking about our worth. Where it comes from, what it means, how long it will last. He was talking about whose image we bear.

St. John Paul II

"Do not be afraid. Do not be satisfied with mediocrity. Put out into the deep and let down your nets for a catch."

St. John Paul II was born Karol Wojtyla in the small Polish town of Wadowice. During World War II, when the Nazis invaded Poland, Karol secretly studied for the priesthood in an underground seminary. He was ordained to the priesthood in 1946,

appointed Archbishop of Krakow in 1964, and made a cardinal three years later. In 1978, he was elected the 264th pope, and he took the name John Paul II.

St. John Paul II made evangelization a key part of his papacy and made pastoral visits around the world. In 1981, he was shot twice in an assassination attempt. Following Jesus' example of compassion, he later met with his would-be assassin in his prison cell, where he forgave him for what he had done.

St. John Paul II was well known as an active sportsman throughout his life, hiking and skiing well into his 60s. In 1992, his health began to decline, and it was later discovered that he suffered from Parkinson's disease, a degenerative disorder of the central nervous system.

Near the end of his papacy, he struggled to speak, and his poor health and physical suffering made public appearances difficult. Still, he continued his pastoral work. He died April 2, 2005, and he was declared blessed on May 1, 2011. He became a saint on April 27, 2014.

St. John Paul II, pray for us!

Ministry Moment

Every person who walks through our doors should feel the love of Christ and the warmth of our parish family. The Welcome Ministry helps create that first impression by greeting parishioners and visitors with a friendly smile, a kind word, and a spirit of hospitality.

Welcome Ministers serve before Masses by greeting people as they arrive, answering questions, helping newcomers find their way, and making everyone feel at home. They are often the first faces people encounter, offering a simple but meaningful reminder that every person is valued and belongs in our parish community.

This ministry is perfect for those who enjoy meeting new people and sharing the joy of their faith through genuine hospitality. No special experience is required—just a welcoming heart, a friendly smile, and a desire to help others feel at home in God's house.

By serving in the Welcome Ministry, you help foster a parish culture where all are invited, known, and loved. Your presence can make a lasting difference for someone visiting for the first time or returning after time away, opening the door to a deeper connection with Christ and His Church.
