INDEPENDENT ACCOUNTANT'S REPORT

Board of Directors and Management
StraitsX SGD Issuance Pte. Ltd.

We have examined management of StraitsX SGD Issuance Pte. Ltd.'s (the "Company") assertion that the following information (hereafter, the "Reserve Account Information") in the accompanying Reserve Account Report as at 31 January 2026 at 11.59 PM Singapore Time ("ST") ("Report Date") is fairly stated, based on the criteria set forth in the Reserve Account Report.

StraitsX SGD Coin ("XSGD") in Circulation = 23,511,583 XSGD

The total fair value of Singapore Dollar (SGD) denominated assets held in segregated accounts are at least equal to the XSGD in Circulation at the Report Date.

The Company's management is responsible for its assertions. Our responsibility is to express an opinion on the Reserve Account Information in the accompanying Reserve Account Report based on our examination.

Our examination was conducted in accordance with Singapore Standard on Assurance Engagements (SSAE) 3000 (Revised), Assurance Engagements other than Audits or Reviews of Historical Financial Information, established by the Institute of Singapore Chartered Accountants ("ISCA"). Those standards require that we plan and perform the examination to obtain reasonable assurance about whether the Reserve Account Information in the accompanying Reserve Account Report are correctly stated, based on the criteria set forth in the Reserve Account Report, in all material respects. An examination involves performing procedures to obtain evidence about the Reserve Account Information. The nature, timing, and extent of the procedures selected depend on our judgment, including an assessment of the risks of material misstatement of the Reserve Account Information, whether due to fraud or error. In making an assessment of the risks of material misstatement, we considered and obtained an understanding of internal control relevant to the preparation of, and the Reserve Account Information in, the accompanying Reserve Account Report in order to design procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of such internal control. Accordingly, no such opinion is expressed. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

Our firm applies Singapore Standards on Quality Management and, accordingly, maintains a comprehensive system of quality control including documented policies and procedures regarding compliance with ethical requirements, professional standards and applicable legal and regulatory requirements. We have complied with the independence and other ethical requirements of the Accounting and Corporate Regulatory Authority (ACRA) Code of Professional Conduct and Ethics for Public Accountants and Accounting Entities (ACRA Code), which is founded on fundamental principles of integrity, objectivity, professional competence and due care, confidentiality and professional behaviour.

INDEPENDENT ACCOUNTANT'S REPORT (Continued)

The Reserve Account Information in the accompanying Reserve Account Report relates to the Company's XSGD token, which is a cryptographic stored value token that allows financial market participants to transact in a crypto asset.

Crypto assets are an evolving area of technology and market place activity. Individuals who acquire and utilise XSGD tokens and other crypto assets are responsible for informing themselves of the general risks and uncertainties.

The Company has satisfied the following requirements of Monetary Authority of Singapore:
reserve assets are held in approved asset categories
reserve assets are valued at mark-to-market on a daily basis
reserve assets are held in segregated accounts on trust and in permitted custodians
reserve assets are held in the currency that XSGD is pegged to

In our opinion, the Reserve Account Information in the accompanying Reserve Account Report as of 31 January 2026 is fairly stated, based on the criteria set forth in the Reserve Account Report, in all material respects.

Co. Reg. No.: 202328554G

Management's Assertion

StraitsX SGD Issuance Pte. Ltd. ("StraitsX" or the "Company") is responsible for the completeness, accuracy and validity of the XSGD Reserve Report (the "Report") as of **Jan 31 2026** at **11:59PM GMT+8** (the "Report Date"). StraitsX asserts that the value of the marked-to-market Reserve Assets held in a trust account maintained with a safeguarding institution is equal to or exceeds the par value of XSGD in circulation.

XSGD Reserve Report

Description	Value S\$ on Report Date
A. Total par value ¹ of XSGD in circulation (as defined in the criteria below)	23,511,583
B. Marked-to-market value of Reserve Assets held in a trust account maintained with a safeguarding institution (as defined in the criteria below)	23,520,610

Criteria:

- A. Total par value of XSGD in circulation is defined as the total XSGD supply on XSGD approved blockchains at the Report Date. Approved blockchains comprised of Ethereum, Zilliqa, Polygon, Hedera, Avalanche, Arbitrum, Ripple, PlatON, BASE, and Solana are used by the StraitsX to issue and redeem XSGD.
- B. Marked-to-market value of Reserve Assets held in a trust account maintained with a safeguarding institution is defined with characteristics as per paragraph 3 with composition as per paragraph 2.

¹ par value means the value of the XSGD represented by StraitsX at the time of issuance
