Shani's Rib Truck has power, water & gas onboard so we can park-up just about anywhere!

As long as we have access to a safe, level parking spot - and easy access we'll be there!

Low hanging tree's, narrow drive-ways, unsealed roads, or other obstacles can make access difficult. If you think access may be tricky please let us know so we can come do a site visit before your event.

We cannot take responsibility for damage to grass or lawn if this is the area we are given to park or drive on.
