## We are hiring!

**THE JOURNEY ISN'T JUST A WORKPLACE!** We are a family of believers, flawed and imperfect, messy and beautiful. We are a tapestry held together by God's grace, love and presence. We are St. Louis and yet we are more. We are those who are here, those who have moved on, and those coming still! We are all made one in and because of Christ. And by his grace, He holds us together.

Our team is praying for the person God will bring to serve as our **Middle School Coordinator**.

**IS GOD CALLING YOU?** Are you passionate about walking with students in a formative season of life? Do you love creating meaningful community and helping students grow in their faith?

We're looking for a strong communicator, relational leader, and thoughtful disciple-maker. Someone who is organized, collaborative, and excited to pour into students and volunteers alike.

Journey Students exists to help students in grades 6–12 explore the gospel, build meaningful relationships, and become lifelong followers of Jesus.

### [Family Discipleship Pathway](#)

In middle school, students are asking big questions about faith, identity, and belonging. Our middle school ministry creates a welcoming, engaging space where they can wrestle with those questions in light of God's truth and love.

As **Middle School Coordinator**, you will lead weekly gatherings, plan events, partner with families, and invest deeply in the lives of students. You will work closely with our Director of Journey Students to ensure alignment with the broader vision of student ministry at The Journey.
