Read | Read that day's passage. Depending on time, you may want to consider reading the whole passage or a portion of the passage multiple times.

Examine | After reading, examine what's happening in the story. Who are the characters? What do they do and why? What does this passage reveal about Jesus? Be curious and ask lots of questions.

Apply | Scripture always has a context of audience, place, and genre. But it is also speaking to us and the Holy Spirit is calling us to something. Reflect on this and think about how you can apply what you've read to your life as an apprentice of Jesus.

Pray | As you pray, share your struggles and questions with God, thank him for his presence, ask him to speak, and spend time listening.
