SPONSORSHIP OPPORTUNITIES

ABOUT THE FOUNDATION

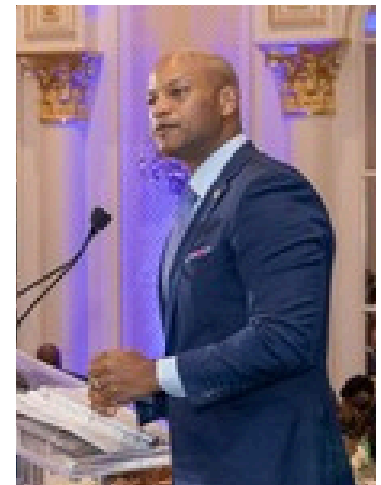

Established in 2011, The Memorial Foundation's mission is to promote and support the general upkeep of the Martin Luther King, Jr. Memorial on The National Mall in Washington, DC. As one of the most cherished historic sites in our nation's capital, the Memorial welcomes millions of visitors from around the world each year. The journey to its history-making completion spanned more than two decades and marks the first memorial on the Mall to honor a person of color.

Alongside this core mission, The Memorial Foundation actively engages leaders, individuals, and communities to amplify Dr. King's message for global equality, justice, and peace. The Foundation reaches more than 50,000 people each year through our programmatic and outreach efforts, which are strategically focused on education, engagement, and empowerment. LEADERS OF DEMOCRACY AWARDS LUNCHEON

The "Leaders of Democracy" Awards Luncheon was established to acknowledge, honor, and celebrate outstanding community and civic leaders who reflect Dr. King's tenets of *Democracy, Justice Hope, and Love*. Hosted each year during the Congressional Black Caucus Foundation's Annual Legislative Conference, the Awards Luncheon has become a staple during the week-long convening focused on recommitment, bridge-building, and meaningful dialogue on sustainable futures. In its nineteenth year, this year's Luncheon will be hosted on Thursday, September 17, 2026, and is poised to welcome policymakers, influencers, advocates, engaged citizens, and legislators alike to continue in the great tradition of honoring excellence.

YOUR SUPPORT MAKES THE DIFFERENCE!

Sponsorship provides the critical financial support The Foundation needs to advance its mission. In addition to the Leaders of Democracy Awards Luncheon, the Foundation facilitates programs focused on youth and emerging leaders, as well as community engagement initiatives in and around the Greater DMV area. Your support helps us to honor those who are making a difference in their everyday lives while simultaneously investing in the next generation of leaders.
