ANNUAL **REPORT**

***Ps Miro & Marta Toth***  
*Senior Pastors*

## Dear Friends!

This past year, we celebrated our **third birthday** since our launch in September. What an exciting time! We are truly overwhelmed by what the Lord has done. The history of our church is short—we only stepped out to pioneer in Budapest just before the pandemic—but we believe the future is great. In these last few years, we have seen so much!

One of the greatest privileges of being a pastor is seeing lives transformed. We say that we are all about equipping people (it happens to be in our name!). We exist to equip people for life through faith in Jesus Christ.

We've seen people **SAVED**. We've seen them say yes to Jesus. It's our mandate in the heart of the city. We do our best to reach people with the good news—through our relationships, on the streets of the city, in our eGroups, and at every Sunday service.

We've seen people **FREED**. We've heard the chains falling! Bondages were broken, tears were shed, and freedom came. Testimonies poured in about what God has done in personal lives, in marriages, and in restored relationships. We are curse-breakers!

We've seen people **HEALED**. Emotional trauma? Jesus paid for it on the cross! Physical conditions? Jesus paid for them on the cross! I love hearing testimonies, especially in our weekly prayer gatherings, of healing and restoration. To God be the glory!

We've seen people **RELEASED**. Nothing is more fulfilling than seeing people who were saved, freed, and healed then released to live out the destiny God has called them to fulfill. We are His masterpiece, carrying the fingerprint of Jesus in our story.

*This was also Jesus' mission. He said it in His own words (Luke 4:18). He was anointed to proclaim good news to the poor (see people **SAVED**), to proclaim freedom for the prisoners (see people **FREED**), to bring recovery of sight to the blind (see people **HEALED**), and to set the oppressed free (see people **RELEASED**).*

*We love that, as a church, we get to witness this on a weekly basis. We love that we get to be a part of this. And we love that you get to play a role in this!*

*We have great expectations for the next season. We believe God is taking us to another level! Here is the mission ahead of us:*

- **We are called to TOUCH THE NATIONS IN THE CITY.** Budapest is a thriving city with more than 114,000 internationals living here, over 40,000 foreign students, around 80,000 Jewish people, and about 5.5 million tourists visiting each year. The nations are coming to us, and we have the opportunity to connect them to Jesus.
- **We are called to LOVE THE HUNGARIANS.** We first came to serve the Hungarians, but the Lord somehow opened the doors for us to reach the internationals. Still, our mission remains to love and serve the three million Hungarians living in the greater Budapest area. We are not just an international church—we are a church of many nations, also serving and loving the Hungarian nation.
- **We are called to SERVE THE FAMILIES AND KIDS.** Our church loves children and wants to be a welcoming place for them. We want to be a place where children love to come and where they drag their parents along! There are many challenges—language diversity, space, etc.—but this is part of our dream! We will see children hosted, served, and discipled.

- **We are called to SUPPORT THE STUDENTS.** I will never forget the moment when God broke my heart for the young people of Budapest. That's why we came to plant the church here in the first place! Budapest has over 300,000 university students, plus a vast number of high school students. We love all generations and will serve them all. But we need to stay relevant to the young people!
- **We are called to REACH THE UNCHURCHED.** Yes, there are many broken and hurting Christians, and we will always be a loving place for them. But our mission is to seek and save the lost, following in the footsteps of Jesus. Only 17% of Hungarians attend religious services, and only 2% are evangelical Christians. The need is vast. And the need is ours!

The question is, will you be a part of this? We invite you to make Equippers Church your home. Join an eGroup. Join a team. Support the ministry by tithing faithfully. Pray for the church. Carry the vision and the burden with us.

We want to express how much we love and care for you! We are so happy that God has connected our lives. We truly are in this together! We can't wait to see what God still has in store for us!

With love,

*Miro & Marta Toth*
