

You are warmly invited to a truly special evening as we celebrate the 50th Anniversary of Parkwood Dance Academy.

For five decades, Parkwood has inspired generations of dancers, created lifelong friendships, and built a legacy of passion, artistry, and community. This golden milestone is an opportunity to honour the memories of the past, celebrate the achievements of the present, and look forward to an exciting future.

We are delighted to welcome our esteemed founder, Marlene Mayall, our treasured Parkwood Dance Academy Alumni, and our current Parkwood families, whose talented children will provide the evening's entertainment.
