## Life Group Questions to consider:

1. Real impact brings real community. What real impact have you experienced that led you to connect in real community? How have you seen God's impact on your life bring you into real community?
2. Carefully read through Romans 16:1-16. What does Paul's list of names indicate about the nature of Christian community? Why is it significant that Paul has first-hand knowledge of these people? How do the ideas of hospitality and unity contribute to this community? What does it look like to greet those in Christian community with sincere affection?
3. How will you respond to this passage of Scripture? This week, find practical ways to show sincere affection for your community in Christ, and share with someone how the truth of the gospel can impact them and bring them into real community in Christ.

## Prayer::

- For each person in your group to know which next step God is calling them to. Pray that they will have clear opportunities to see God work in their lives.
- Pray that the group would surround the collective next steps and help encourage as they are taken.
- Pray for interactions with people far from God and for the group to be able to step into those conversations.
- Now go and take your next step. Go and BE the Church.
