**Life Group Questions to consider:**

1. Value directs vision, and vision reflects value. What do you look at most of the time? What does that say about what you value? Why can it be difficult to get our vision to align with our desired values? How does the arrival of Jesus Christ serve to fix our vision?
2. Carefully read through Matthew 2:1-12. What led the magi to walk toward Christ? How can walking toward Christ make people uncomfortable or worried? Why is it wise for the magi to use God's Word to respond to Herod? When does wickedness oppose God's wisdom? How does seeing Jesus bring change?
3. How will you respond to this passage of Scripture? This week, share with someone about how seeing, trusting, and following Jesus can truly change their life.

**Prayer::**

- For each person in your group to know which next step God is calling them to. Pray that they will have clear opportunities to see God work in their lives.
- Pray that the group would surround the collective next steps and help encourage as they are taken.
- Pray for interactions with people far from God and for the group to be able to step into those conversations.
- Now go and take your next step. Go and BE the Church.
