2026-2027 Registration

It is hard to believe that it is time to register for a new school year. The 2026-27 school year will be exciting as we celebrate 10 years of ministry in the Waxhaw area! We are grateful for the many families who have entrusted their child's preschool experience to us. Parents who are happy with their child's preschool experience are our best advertisement in telling their neighbors and friends. Each year we have operated at capacity and we look forward to the time when we can expand our preschool space. We welcome new students who quickly become family and experience a connection with both the school staff and other families. We are excited about all God has done through the ministry of Stepping Stones and all that He will continue to do in the days ahead. We are thrilled you are choosing to be a part of the Stepping Stones family!

The registration process is three-tiered: Five Stones Church families, current Stepping Stones Preschool families, and the public. The registration form can be downloaded from our website, fivestonespreschool.com, filled out, and dropped off at the Family Ministry desk or mailed in during your designated time. **All registration forms must be physically turned/mailed in, otherwise they will not be accepted. All registration fees must be paid online on Brightwheel.** Once we have the registration form, information form (on Brightwheel), and receipt of payment, your spot is secure.
