WATCHING, WAITING, AND WONDER

12.21.2025

Life Group Questions to consider:

1. We're designed for wonder. What does your sense of wonder look like? What are the benefits of wonder? Where do you see limits on wonder? How does the arrival of Jesus Christ inspire wonder?
2. Carefully read through Luke 1:26-38. How does God disturb Mary and Joseph's lives? What is significant about Mary's inner dialogue? Why does Gabriel respond to Mary's inner thoughts with a description of Jesus? Why does the angel describe the Holy Spirit coming and God's power over the situation? What does Mary's reply indicate?
3. How will you respond to this passage of Scripture? This week, share with someone about how limitless wonder in the limitless God points to faith in our wonderful Lord Jesus Christ!

Prayer::

- For each person in your group to know which next step God is calling them to. Pray that they will have clear opportunities to see God work in their lives.
- Pray that the group would surround the collective next steps and help encourage as they are taken.
- Pray for interactions with people far from God and for the group to be able to step into those conversations.
- Now go and take your next step. Go and BE the Church.
