

# We grow in authentic community.

1.4.2026

## Life Group Questions to consider:

1. We grow in authentic community. What are the differences between authentic community and artificial community? What does your community look like? Have you settled for artificial community? Why does God demonstrate the importance of authentic community?
2. Carefully read through Acts 2:37-47. What can we learn from the response to Peter's sermon? Why is continual devotion to teaching, fellowship, breaking bread, and prayer important to authentic community? How does this community show care? How is this community continuing the ministry of Christ?
3. How will you respond to this passage of Scripture? This week, share with someone about how Jesus Christ creates authentic community that is better than every artificial community!

## Prayer::

- For each person in your group to know which next step God is calling them to. Pray that they will have clear opportunities to see God work in their lives.
- Pray that the group would surround the collective next steps and help encourage as they are taken.
- Pray for interactions with people far from God and for the group to be able to step into those conversations.
- Now go and take your next step. Go and BE the Church.
