

We grow in authentic community.

1.25.2026

Life Group Questions to consider:

1. We grow in authentic community, but we can't grow if we quit. When have you been tempted to quit something? Why is continuing vital to authentic community? What makes that difficult? How is God specifically calling you to a determination to continue in authentic community?
2. Carefully read through Romans 5:1-5. What is the source of our peace with God? Why is it so important that justification is by faith alone?

How does faith connect to standing in grace and exulting in hope? How can continuing in proper perspective lead to rejoicing in tribulations? What is significant about having hope grounded in character coming from continuing in perseverance? How does the presence of the Holy Spirit tie to the concept of hope that does not disappoint?

3. How will you respond to this passage of Scripture? How can you display perseverance and hope in Christ through the authentic community formed by His Spirit? Share that hope with someone this week!

Prayer::

- For each person in your group to know which next step God is calling them to. Pray that they will have clear opportunities to see God work in their lives.
- Pray that the group would surround the collective next steps and help encourage as they are taken.
- Pray for interactions with people far from God and for the group to be able to step into those conversations.
- Now go and take your next step. Go and BE the Church.
