Life Group Questions to consider:

1. We live with radical generosity. And how we spend reveals what we worship. What does your spending reveal about your worship? Has money given you the illusion of control, security, status, or joy?
2. Carefully read through Matthew 6:19-34. What does it mean to store up treasures in heaven? How is treasure linked to the heart? What does it mean to have a clear or bad eye? How does an eye affect everything about how people function? Why can't people serve both God and wealth? What's the connection between love and service? How is greed linked to anxiety?
3. How will you respond to this passage of Scripture? Pray, "God, help me spend the rest of my life closing the gap between what I'll wish I'd given then and what I'm actually giving now." This week, practice radical generosity by treasuring Christ above all else, and share with someone about eternal treasure in Him!

Prayer::

- For each person in your group to know which next step God is calling them to. Pray that they will have clear opportunities to see God work in their lives.
- Pray that the group would surround the collective next steps and help encourage as they are taken.
- Pray for interactions with people far from God and for the group to be able to step into those conversations.
- Now go and take your next step. Go and BE the Church.
