**Life Group Questions to consider:**

1. We send on mission to multiply. The book of Acts shows people putting that mission into action by depending on the power of the Holy Spirit. When do people tend to act independently instead of depending on the Spirit? How can people move from selfish independence to Spirit dependence?
2. Carefully read through Acts 6:1-15. What is significant about the title of disciple? What is the church's proper response to complaining? How does the Spirit demonstrate His specialized work here? Why does this passage emphasize fullness (of the Spirit, wisdom, faith, grace, and power)? How can one know that the Holy Spirit is sufficient for all? How does this passage confirm that the Spirit is supreme over all?
3. How will you respond to this passage of Scripture? God calls us to trust and obey Jesus by the power of His Spirit. This week, who will hear you tell them about the good news of the resurrected Jesus and the invitation to respond to Him in trust and obedience?

**Prayer:**

- For each person in your group to know which next step God is calling them to. Pray that they will have clear opportunities to see God work in their lives.
- Pray that the group would surround the collective next steps and help encourage as they are taken.
- Pray for interactions with people far from God and for the group to be able to step into those conversations.
- Now go and take your next step. Go and BE the Church.
