Life Group Questions to consider:

1. We send on mission to multiply. The book of Acts reinforces the ideas of human depravity and God's sovereignty. Why are these ideas important to continuing what Jesus started?
2. Carefully read through Acts 12:1-25. What is the role of prayer here? Why is a prideful posture incompatible with a prayerful posture? How does God demonstrate His sovereignty here? What is surprising or amazing about God showing His supremacy? How does Herod show human depravity here? What differences do you see between Herod and Peter in their interactions with angels? How is the continued growth and multiplication of the word of the Lord a demonstration of God's sovereignty?
3. How will you respond to this passage of Scripture? This week, how will you fulfill God's mission? Who is one person that will hear the word of the Lord from your lips this week?

Prayer:

- For each person in your group to know which next step God is calling them to. Pray that they will have clear opportunities to see God work in their lives.
- Pray that the group would surround the collective next steps and help encourage as they are taken.
- Pray for interactions with people far from God and for the group to be able to step into those conversations.
