Life Group Questions to consider:

1. We send on mission to multiply. The book of Acts highlights eternal mission-mindedness. What is it about the temporal world that makes it difficult to align our mission focus with God's mission?
2. Carefully read through Acts 13:1-52. What's the difference between calling and sending? Why is the Holy Spirit significant in both? What does it mean to be filled with the Holy Spirit? Why is His emboldening critical to mission success? Why does God's mission need to include both proclaiming Jesus' authority and preaching His resurrection? How does the reach of the mission grow by God's grace? Why does the sovereignty of the Holy Spirit matter?
3. How will you respond to this passage of Scripture? What is your mission field? This week, boldly proclaim the good news of Jesus as you're sent in the power of the Holy Spirit!

Prayer:

- For each person in your group to know which next step God is calling them to. Pray that they will have clear opportunities to see God work in their lives.
- Pray that the group would surround the collective next steps and help encourage as they are taken.
- Pray for interactions with people far from God and for the group to be able to step into those conversations.
