Life Group Questions to consider:

1. What stood out to you most from Acts 14 or Sunday's sermon, and why?
2. Paul faced rejection, misunderstanding, and suffering while faithfully following Jesus. Why do you think we often assume that difficult circumstances mean we've stepped outside of God's will?
3. Paul called the people in Lystra to "turn from these vain things to the living God." What are some idols that compete for our worship, and what does it look like to turn from them and trust Christ instead?
4. The sermon ended with the reminder: We don't persevere because we're strong enough. We persevere because Jesus is faithful enough. Where do you need to trust Christ's sustaining grace this week? Pray together about these things as a group.

Prayer:

- For each person in your group to know which next step God is calling them to. Pray that they will have clear opportunities to see God work in their lives.
- Pray that the group would surround the collective next steps and help encourage as they are taken.
- Pray for interactions with people far from God and for the group to be able to step into those conversations.
