Life Group Questions to consider:

1. We send on mission to multiply. The book of Acts is about action, active participation. Action always has a direction. When do our actions point toward selfishness? How can our lives accurately point toward Jesus?
2. Carefully read through Acts 19:1-41. What's the connection between John, Jesus, and the Holy Spirit? What circumstances surrounded the word of the Lord spreading? Why were the miracles at Ephesus considered extraordinary? What is significant about the practices of confession and disclosure? How is following Jesus disruptive to idolatry? How is idolatry irrational?
3. How will you respond to this passage of Scripture? Does your life glorify Jesus? Are you trying to know Jesus through someone else's faith? How is God purifying you? Where is your trust? This week, who will hear the truth of Christ from you?

Prayer:

- For each person in your group to know which next step God is calling them to. Pray that they will have clear opportunities to see God work in their lives.
- Pray that the group would surround the collective next steps and help encourage as they are taken.
- Pray for interactions with people far from God and for the group to be able to step into those conversations.
