Education

Google UX Design Certificate

Remote | 6/2021 – 5/2022

- A rigorous training designed for entry-level job readiness. Topics include UX research fundamentals, inclusive design, low-fidelity and high-fidelity prototypes, and tools like Figma and Adobe XD.

University of North Carolina at Chapel Hill

Bachelors of Science in Computer Science

Minor in Math and Music

Chapel Hill, NC | 8/2015 – 5/2019

- Graduated with Highest Distinction (GPA: 3.96).
- Dean's List (8/8 Semesters).
- Member of Honors Carolina and the Phi Beta Kappa Honor Society.

Work Experience

Starbucks | *Barista*

Greensboro, NC | 3/2020 – 5/2021

- Boosted customer connections by both establishing relationships with regular customers and advising new customers to best meet their needs.
- Cooperated with fellow baristas to ensure that production stayed constant and smooth throughout the duration of each shift.

HCL | *Software Engineering Intern*

Cary, NC | 5/2018 – 10/2018

- Designed and programmed a front-end user interface for a prototype analytical product to run alongside HCL's Rational Product Tester.
- Researched and evaluated the best methods for quickly and intuitively displaying data to our user base.
- Collaborated with co-intern and management to ensure the front- and back-ends worked together to create a seamless user experience.
