Welcome to Chalet RoyAlp

Where the magic of the festive season creates an enchanting atmosphere

The magic of Christmas shines through from the moment you enter the Lobby, transforming into a winter wonderland where Christmas trees, fairy lights and natural wood blend together in a golden glow. Loved by young and old alike, the festive atmosphere guides you from lounge to lounge, where the crackling fire invites you to enjoy a hot drink.

Children are invited to explore their very own kingdom. Our Kids' Club is decked out in its festive finery and offers a colourful programme of activities throughout the holidays, ensuring they experience the festive season with stars in their eyes.

In the kitchen, Chef Fabien Manzoni and his teams orchestrate a meticulous display of refined and generous dishes throughout the festive season.

Warm and elegant, the Chalet RoyAlp Hôtel & Spa invites you to enjoy its celebrations with your family.
