Advanced Tank Monitoring & Leak Detection

ALISONIC**OMNTEC Mfg., Inc. Acquires Alisonic S.r.l.**

Ronkonkoma, New York — October 8, 2025 — OMNTEC Mfg., Inc., a family-owned internationally recognized manufacturer of leak detection and tank level gauging systems for the petroleum industry, proudly announces the acquisition of Alisonic S.r.l., a family-owned Italian specialist in magnetostrictive level gauging and fuel measurement solutions.

This acquisition represents a significant step forward in OMNTEC's commitment to expanding its global reach and strengthening its ability to deliver cutting-edge technologies to customers worldwide. With operations in USA, India, and now Europe, OMNTEC continues to expand while staying true to its family-run roots.

"The acquisition of Alisonic S.r.l. allows us to combine two strong legacies of innovation, reliability, and customer focus," said Thomas D'Alessandro, President and Owner of OMNTEC Mfg., Inc. "Both OMNTEC and Alisonic are family-run companies that share the same values of trust, dedication, and long-term commitment to customers. We are proud to preserve the Alisonic brand and ensure its manufacturing will remain in Italy, continuing the tradition of quality and craftsmanship that customers have always relied upon. By bringing together our complementary expertise and resources, we will continue to advance product development and provide even greater value to our clients in diverse markets across the globe."

Alisonic S.r.l. will continue to operate under its trusted name as a fully integrated part of the OMNTEC family, maintaining continuity of service and the high standards customers have come to expect. Together, the companies will focus on enhancing product offerings, streamlining operations, and accelerating innovation.
