Before arriving at camp, I have opened and visually inspected each bag transported to BigStuf Camps. I can confirm that I found none of the following items present in any bag:

- No illegal drugs, vapes, cigarettes, or alcohol
- No weapons of any kind, ammunition, or realistic replicas of weapons
- No explosives of any kind, including fireworks
- No pepper spray, stun guns, or tasers

I understand that if any bags were NOT inspected, it is my responsibility to inspect those bags **before I am able to check-in** for BigStuf Camps on Day One of Camp.
