Top-40 bøger til alle der leder

Ligegyldigt hvad du leder, hvem du leder, og hvor du leder, så har du brug for Core Leadership-kompetencer. Du har brug for at forstå mennesker, herunder dig selv. For hvordan skal du kunne lede andre, hvis du ikke kan lede dig selv? Core Leadership kaldes også for de bløde kompetencer. Vi kalder det for kernekompetencer, fordi det netop er disse superkræfter, der er grundlaget for fremtidens formelle og uformelle ledere.

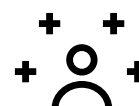

Core Leadership består af et fundament, de fire ståsteder og supplerende kompetencer.

40 bøger er selvfølgelig en hel del - så hvor skal du starte?

Vi har udvalgt én bog fra hver kategori. Det er den bog, vi vil anbefale, du starter med. Forhåbentlig giver bogen dig samme aha-oplevelse som den har givet os, når du læser den.

De udvalgte bøger er markeret med dette ikon:
