## Dear Friend of the Food Bank,

*"You are all so efficient!"*

*"What you do is amazing!"*

*"How do you get things done?"*

These are comments I hear from so many of **you**. The answer, to some degree, is simple: we can do it because of the generosity of the community and all of **you** who support us.

Thanks to **your** help, we have been able to:

- Provide the necessary resources to keep up with inflation and the cuts to SNAP when the disaster proclamation ended
- Provide 6.6 million meals to people in need in northeast Iowa, through food distribution and assisting with SNAP applications
- Upgrade our technology systems, which will improve our systems over time
- Pack the UNI dome on Martin Luther King, Jr. Day to pack BackPacks for area school children
- Distribute food through our Mobile Food Pantry program throughout our rural communities

It all happens because **you** show up, provide resources, and form relationships with us.

- **Your** work groups helped to repack cereal, fruit, vegetables, and frozen sausage that then is distributed through our system
- Our Holiday Distribution helped to ensure that families in our communities have food for Thanksgiving was possible because **you** showed up to help on cold November days

The list goes on. We find something in common and put that to work for the greater good. **You** help us do what we do, and we are so grateful for that support.

The Food Bank responds every week, sometimes with an immediate response. **You** help us respond, whether that is in our ongoing programming or because of an immediate need.

We are here for the long haul because of the relationships that are formed when **you** get involved. **You** help us make it look easy and be efficient, and for that, we are grateful.

**Barb Prather**, Executive Director  
Northeast Iowa Food Bank
