

Best Use of Construction Technology Application Form

This award is open to any organisation in Ireland's build and design industry that is effectively improving project outcomes.

Please note your application should be no more than 10 pages (5 double sided sheets) and a maximum of 2500 words. Applications should be emailed to info@irishbuildinganddesignawards.com by 2.00pm January 8th, 2025. Or uploaded to the following link - [Best Use of Construction Technology](#).

Summary	In no more than 250 words summarize why your organisation deserves to win this award.
Technology Outline	Please explain what technology you have developed/ used to improve existing methods.
Objectives	What were the objectives behind introducing the technology?
Outcomes and Results	Explain how the technology has had a positive impact (efficiency, cost reduction, productivity enhancement) on the organisation or the organisations projects.
Adaptability & Scalability	How was the technology integrated into your current systems, will it be suitable for future projects of varying sizes and complexities?
Supporting Statements & Testimonials:	Please include any other statements or facts that support your entry, including client testimonials where possible.

Essential tips for a successful entry

A successful application **must** address all the points above.

Marks will be allocated only on the evidence you provide.

Don't underestimate the power of presentation! You can use bullet points, charts, photographs, and client feedback in your submission. The more impressive your application appears and the stronger your evidence, the more it will support your case with the judges.

Please make sure you have included your Client References where applicable.

Make sure to include information on your exceptional successes during the year such as business systems, innovations or techniques that have reaped significant benefits.

Remember your document should be no more than 2500 words.

DO NOT include company marketing brochures in your entry.

We reserve the right to quality check applications and may contact to ask for additional information if necessary.
