### Essential tips for a successful entry

A successful application **must** address all the points above.

Marks will be allocated only on the evidence you provide.

Don't underestimate the power of presentation! You can use bullet points, charts, photographs, and client feedback in your submission. The more impressive your application appears and the stronger your evidence, the more it will support your case with the judges.

Please make sure you have included your Client References where applicable.

Make sure to include information on your exceptional successes during the year such as business systems, innovations or techniques that have reaped significant benefits.

Remember your document should be no more than 2500 words.

**DO NOT** include company marketing brochures in your entry.

We reserve the right to quality check applications and may contact to ask for additional information if necessary.
