

Education Project of the Year

Application Form

This award celebrates an outstanding education project that demonstrates excellence in design, planning, and delivery. It recognises projects that provide exceptional learning environments, enhance student and staff experiences, and showcase innovation, sustainability, and quality in educational construction.

Please note your application should be no more than 10 pages (5 double sided sheets) and a maximum of 2500 words. Applications should be emailed to info@irishbuildinganddesignawards.com Or uploaded to the following link - [Education Project of the Year Application](#) clearly stating your company & project name.

Summary	In no more than 250 words summarise why this project deserves to win this award.
Project Outline	Please provide a brief description of the project including the overall contract value, dates of commencement and completion. The project scale and delivery model (design-build, PPP, modular)?
Design Excellence	Describe what consideration was taken into how this project integrated with the surrounding environment & community. How were inspiring & creative learning spaces included
Project Innovation & Excellence	Highlight any innovative design, engineering or construction methods used to achieve the projects aims and objectives?
Impact on the Community or Service Users	Outline how the project will enhance student & teacher wellbeing, comfort and educational outcomes and it's contribution to the local community and wider educational sector.
Health, Safety & Fire Safety Compliance	Outline Health and Safety initiatives in place during the project (include evidence if available). Highlight how this project meets all relevant fire safety requirements or even goes that bit further than standard requirements.
Sustainability	Summarise the approach to sustainability that was adopted on this project. Energy efficiency improvements, reduction of operational carbon, biodiversity, water conservation, and climate resilience measures.
Supporting Statements & Testimonials	Include testimonials, case studies, client endorsements, charts, photos, or other documentation that strengthen your submission. Data, case studies, performance metrics should be included to show tangible value beyond typical methods.
