# Architectural Project of the Year

## Application Form

This award is open to Architectural Projects of all sizes completed within the last 18 months in Ireland. Projects can range from various sectors including residential, cultural, educational, commercial and more.

Please note your application should be no more than 10 pages (5 double sided sheets) and a maximum of 2500 words. Applications should be emailed to info@irishbuildinganddesignawards.com. Or uploaded to the following link - Architectural Project of the Year Application with company & project name clearly stated.

| | |
|---|---|
| Summary | In no more than 250 words summarise why your project deserves to win this award. |
| Project Outline | Please provide a brief description of the project including location, size, site constraints, the overall contract value, and the dates of commencement and completion. |
| Design Outline | Describe any innovative design features incorporated within the project and explain how these contributed to its overall success. Highlight the consideration given to how the project sits physically within its environment and setting, including its integration with the surrounding landscape, built environment, community, and local context. |
| Sustainability | What sustainable solutions does the project have – Use of materials, energy efficiency, carbon reduction strategies. What are its environmental credentials? |
| Innovation | Describe and detail any innovative building systems ( technology, tools, modular)? that have been included in this project. |
| Impact | Describe and detail the positive impact this building has had and will have on the lives of its occupants/inhabitants and the surrounding area. |
| Supporting Statements & Testimonials | Include testimonials, case studies, client endorsements, charts, photos, or other documentation that strengthen your submission. Data, case studies, performance metrics should be included to show tangible value beyond typical methods. |
