I apologize for the delay in getting this newsletter out. This is a very busy time here at VHPS and I want to make sure you are all in the know.

FIRE STATION VISIT

On Wednesday, the Penn Daw Fire department are scheduled to visit us at 10am. This of course can change if they get a call. If your child does not attend on a Wednesday, they are welcome to come and visit at that time. The Fire fighters will bring one of their trucks, talk about Fire Safety and do a demonstration changing into their uniform. This will happen in the parking lot. We would love to have a little gift basket with snacks for them. If you would like to either donate money or snacks, please do so before Wednesday. Thank You!

FALL PICTURES

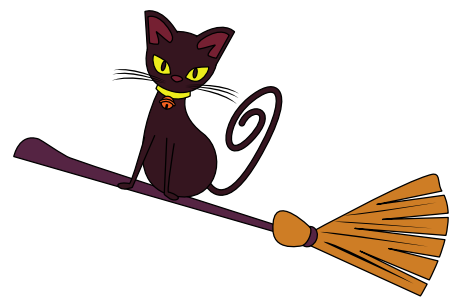

Wednesday and Thursday are Fall picture days. These will be individual photos only (not class). Let us know if you have a change of clothes for after the pictures (play clothes) or any requests for the portraits. If you have siblings in the school that you would like together in a photo, please let us know. If you have an alumni that you would like in the picture, let me know and I will try my best to get that done.

Please remember not to put your child in green as it messes with the background application.

PARENTS DAY OUT

We will have a PDO on October 11 from 12-4 to give parents an opportunity to get some things done while your little stays and plays with us. Sign up coming soon.

HALLOWEEN PARADE

On Thursday October 30,

we are having our Halloween Parade at 10am. We will come out and walk around the middle walkway of the parking lot so parents can bring siblings etc to watch. Students who don't attend on Thursday are welcome to participate. Please remember - no face masks, no weapons. Make sure you have play clothes to have them change into for the day.

REMINDERS

Please remember that we close the door at 8:50am to before care parents so the kids can transition to their home classes. We will only reopen at 9 exactly.

Several students have been coming in without their water bottle. Please please make sure they come in with one. We only have a certain amount of extras.

The weather will be changing so please make sure you are changing out the extra clothes to reflect the temperature.

Thats it for now, enjoy the fall weather!
