IMPACT REPORT

Thank you for carrying the nations in your hearts. Moved deeply by compassion, our vision for global missions remains firmly anchored in the glorious hope of the Gospel of Jesus Christ. We are unwavering in our commitment to the call to disciple nations, believing that every step of our faithfulness brings about the increasing manifestation of His kingdom here on earth. This mission is the heartbeat and legacy of our house, for the Lamb is worthy to receive the reward of His suffering.

Testimony

The land of India has the largest number of Unreached People Groups (UPG's), with over 2,000 groups and nearly 1.3 billion people still unreached. Our long-term missionaries, Syam and Esther, are faithfully serving in remote jungle regions planting new churches despite strong opposition. They are seeing discipleship groups grow and many hearing the Gospel for the first time. Your support helps them continue church planting and equip hundreds of village pastors, who are being refreshed and empowered by the Holy Spirit. May India be saved!
