

Beyond software + insurance: cyber resilience

Bundled with your Elpha Secure policy is more than just insurance and software.

We provide key tools and resources to help bolster cybersecurity posture, educate clients, and elevate businesses' cyber strategy.

Engineered to enhance cybersecurity measures, our additional tools are intuitive, robust, and come with every Elpha Secure policy.

Deep Scan

- > Scans cloud infrastructure & network for vulnerabilities
- > Track, evaluate, & resolve potential risks
- > Detailed alerts & action proposals

ES MailSM

- > Cloud-based email scanning tool
- > Helps intercept spam and bulk phishing attempts
- > Fraudulent Financial Email Detection

Where available, every Elpha Secure policy comes with resources at no additional costs that can help prepare and mitigate a cyber incident.
