

ANTON CHERTKOV LOOKBOOK

2025/26

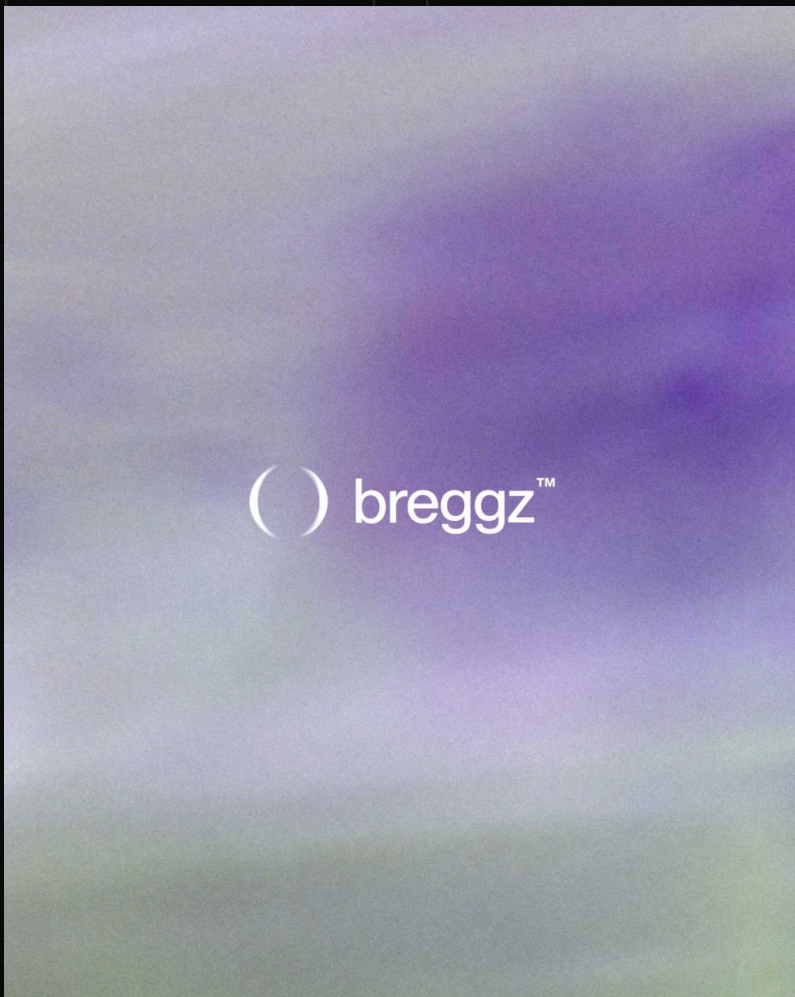

ABOUT

Hey there, I'm Tony. I design small worlds that resonate big. Visual Designer, Motion Nerd, Passionate Creative with strong opinions and fresh ideas.

Over the past years I've combined my background in print and packaging with a fascination for digital and interactive design to bring a unique perspective to every project I work on.

My goal is to place Emotion at the core of every experience. Especially in moments where people don't expect to feel anything at all.
